Love at First Sight!

To see one is to want one! Everyone who has seen the new VASE GC-212TS cabinet has been won over.

Top players wanted a 212 compact cabinet to complement the Tonesetter 18 Head (or Combo) and this is the result.

Featuring two 12" Celestion Speakers (choice of models), it's a beautiful addition to the VASE Family!

Making Hay at Neon Studios

Al Wheeler, Jason Stimson, Geoff Townsley and Mick Welge are The Haymakers, an Americana roots styled band mixing a blend of Rockabilly, Alt Country, Boogie 'n Blues and Swing.

They spent a day at Neon Studios recently efficiently recording 13 songs in 11 hours. Once mastered, they will be the material for a new album.
